Dear Harold,

Thanks for the book - am halfway through now. Amazing how people can't find anything if they don't look.

Brenda is willing to send you the tape she made - sent your address to her. No dice on McMillan

Sent a blistering letter to the HSCOmm. on A. What a farce! Second graders could do better "investigating" unless they're hiding their evidence - fat chance, eh? The only chance they had - & they really blew it. Back to square one?

Am still trying. Gave a talk to 44 at the Salvation Army. One confirmed "Oswald did it for Castro" guy seemed to have second

thoughts by the end of the evening. He wanted to know if I did "this as a business"! I don't even get expenses! Some myths sure take hold - first time I did get a small honorarium, though, & that was nice of them.

Another interested person & I will try the TV & radio stations.

Hope your health is A-OK.

Wish I could help more.

Sincerely,

Jerry Garnett
